Percent satisfied with school-home relations	100%	83.5%	89.5%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Whitesides opened in 1956, and the tradition of excellence that was established continues today. Through the collaborative efforts of a highly qualified professional staff, devoted parents, and a supportive community, Whitesides' students thrive. Students in grades K-5 participate in the Measures of Academic Progress (MAP) assessments to determine growth, identify goals for student achievement and guide instructional priorities and interventions. The SAIL Program for gifted and talented students in grades three through five provides opportunities for student acceleration as does Renzulli, Study Island and Renaissance programs in reading and math. Brain Boosters provides a pre-Sail experience for all second graders. Spanish instruction is provided for kindergarten, first and second grade students.

Child development programs enable us to serve four year old children in a school setting. AimsWeb assessments and Primary MAP are conducted in grades K-1 to monitor student progress and fluency in literacy and to guide instructional decisions and groupings. Additional literacy support is provided to first and second grade students in need of literacy assistance through our Primary Grade Academy, and grades 3-5 by an associate reading teacher and interventionists.

Volunteers are present on a daily basis and make significant contributions to the support of classrooms and school functions. Our PTA coordinates many functions throughout the year. We engage families through game night, No TV week, Literacy Theme day, spirit days at local restaurants, grade-level plays, concerts, and grade-level initiatives. A variety show and semiannual choral concerts accentuate student talent. Chorus is offered in fourth and fifth grades as well as strings in grade five. Local opportunities for student recognition are numerous. Our students are engaged in opportunities for service learning and work closely with advisors and the community on recycling and environmental projects. Students have responsibility for our school newspaper, and Whitesides' students have earned recognition throughout the year for their involvement in local, regional, and state events. For sixteen consecutive years, Whitesides has been applauded for our involvement in the Community of Readers. Whitesides earned an Excellent "Absolute" achievement rating and an Excellent "Growth" rating on the state report card for 2012 as well as being named a Palmetto Gold Award recipient for Achievement and for Closing the Achievement GAP.

Our instructional programs are delivered by a professional staff that is truly devoted to children. Grants, the PTA, local businesses and community support have enriched classroom instruction by providing swimming lessons for kindergarten and grade level field trips that allow students to experience and apply concepts learned at school as we strive to achieve the district goals set by Vision 2016.
